Puppy Information Package

Thank you for considering Stahlrosenhof Kennels in your purchase of a new Malinois puppy. We hope the enclosed information will be of benefit to you in understanding your new puppy's needs and our procedures and practices. If you have any questions about the information, please feel free to contact us.

Please read through the enclosed material. It will provide a great deal of information that will be valuable in preparing for your puppy. When you have read the material and decide you are ready for the challenging but rewarding world of Malinois ownership, please fill out and return to us the enclosed reservation / deposit form. You must sign and return this form if you wish to reserve a puppy.

If you are unsure you want to reserve a puppy at this time, please fill out and return the new puppy survey. This helps us to see who is interested in the breed in general, what goals they have, and how we can better provide information to get the new puppy partnership off to a great start.

Please note: If you are accessing this document through our web site, you must e-mail us for the technical support and reservation / deposit forms.
